|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Rooms: | 16 Suites (37-92 sqm) 71 Single and double rooms (19-37 sqm) |
| Furnishing: | The interior combines classic elegance with modern furniture design, including items from Donghia and selected Italian handcraft from Friuli and Lombardy. In the suites, the traditional basic tenor of the furnishing is redefined with high quality textiles and pale colour-room compositions. Precious original pieces and the use of luxury materials represent the glamorous tradition of the house. The Business Rooms pick up on the high demand placed on aesthetics and feel of the house and present themselves in a well-defined style of clear colours and lines. |
